Help expand optometry's role in primary care
with OT Live

OT Live is a day of presentations by well-respected professionals for practitioners on the 'front line'. The day will focus on the expansion of optometry into primary care, using clinical grand rounds to illustrate how practitioners can benefit patients and their practices.

The whole day offers 6.5 CET points and costs £150 or £75 for a half-day (morning or afternoon)

OT Live will form part of a five day optometric event at Chesford Grange Hotel, which includes

- National Optometric Conference
 - LOC Training
 - Hospital Optometrists Conference
 - Employed Practitioners Conference
- Wednesday 24 and Thursday 25 October
Friday 26 October
Saturday 27 and Sunday 28 October
Sunday 28 October

All events can be booked online at www.aop.org.uk
