Buy a Passport – and get great value and flexibility

Passports will be available to give delegates flexibility and extra value. “**Gold**”, “**Silver Saturday**”, “**Silver Sunday**” and “**Bronze**” passports, will enable delegates to attend lectures as detailed in the table below including, where appropriate, the prestigious Partnership Lecture, The Lunch and Learns and Tea & Tutorial. Passport holders will be able to specify up to three lectures per day for which they can book tickets in advance rather than have them issued at the door. For all other lectures, they will be guaranteed entry with standing room as a minimum (subject to legal restrictions). Passports are NOT transferable.

Interactive lectures will not be included in any passports (except Bronze) and will have to be booked and paid for separately in the normal way.
